### About Move for America

Together, they engage diverse perspectives to solve local challenges. We believe our differences need not divide us. Together, we are building a compassionate, collaborative future. Will you be part of the change?

### About the Fellowship

The Move for America Fellowship, in partnership with AmeriCorps VISTA, is a paid, 12-month immersive service learning experience grounded in community engagement and civic participation. As a Fellow, you will serve in a local nonprofit to convene diverse community perspectives to solve local challenges collaboratively and compassionately. All Fellows participate in our Inclusive Leadership training program, which includes over 80 hours of learning together with your cohort of Fellows, focused on intercultural communication, navigating conflict, and engaging communities. This Fellowship Program is the ideal opportunity to expand your horizons and launch a life of impact by bridging cultural and ideological differences.

### Responsibilities

During their year of service, Fellows serve full-time in a local nonprofit organization on defined community-engagement activities. *Each site is unique.* The scope of each project and activity will vary based on the host site, based on the following overall annual plan:

The Move for America Fellowship is meant to be a transformative experience that builds Fellows' cross-cultural knowledge, Inclusive Leadership mindset and community engagement skills. It is a Fellow's responsibility to fully participate in activities planned for Fellows, and in the life of the community.
